

Hi There!

Thank you very much for thinking of Choklat to assist with raising funds for your organization. I feel honored knowing that you consider our creations to be of the quality you would be proud to endorse.

We believe that a great community initiatives program works to the benefit of both the donor and the recipient, and have put such a program in place. In the past we have worked hand in hand and raised tens of thousands of dollars with numerous grass roots organizations such as Discovery House, The Rainbow Society, Servants Anonymous, Leukemia and Lymphoma Society, and The Children's Cottage for their respective causes.

WE ARE HAPPY TO HELP!

This year we have committed to offering gift certificates to our popular "Choklat Therapy" events to organizations such as yours. The process is simple: We agree on a date or series of dates to host your event, and Choklat provides your organization with 20 gift certificates per event that you then can sell, raffle, or give to lucky recipients to attend on our agreed date.

Over the years we have hosted more than 1500 of these events at a ticket price of \$40 per seat. This is a great way for your organization to raise more than \$800 per event, while at the same time offering your recipients a fun and unique experience. After all, being locked in a chocolate factory for a few hours has appeal!

You can learn more about these events at the following web page: www.Choklat.com

If you see a fit with your organization and our community involvement initiative, I would encourage you to contact us to discuss the opportunity further.

Cheers and Best Wishes!

President & CEO
